NTK.365	#0002 – Breakout Rooms (Teams Meetings)
Title:	Breakout Rooms available in Teams Meetings
Available:	January 2021
Message:	<p>Breakout rooms allow the organizer of a Teams meeting to create sub-meetings for smaller groups of participants to collaborate and have discussions. Breakout Rooms will only work if the meeting organizer maintains a presence in the meeting. Up to 50 Breakout rooms can be created for a single meeting. This new feature is especially useful in online classes, board meetings with committee breakouts, and organizational retreats with brainstorming breakouts.</p>
